

Designed to restrict the Internal Opening but allows access for mail and makes it almost impossible to open the lock or operate the lever inside by reaching through the apperture with either hands or implements from the outside. The Security Cowl is fabricated from steel and is available in a Powder Coated Finish in White, Silver, Gold or Electro Brass or colours to match individual requirements subject to quantities. PATENT PENDING.

Nominal Sizes: Overall 343 x 77mm Apperture 310MIN x 76mm

The Wel Secure Cowl is designed to be used in conjunction with either the Welseal 12" ABS Letter Plate in Fig1 or the Welseal Alpha 12" all Aluminium Letter Plate shown in Fig2.
