

Yale Bi-fold Ali Door Lock

28mm backset gearbox, 16mm standard faceplate

Yale's top-selling multipoint door lock now comes in a 28mm backset gearbox to fit modern narrow door sets and the slim sightline profiles of today's increasingly popular aluminium bi-fold doors. This 16mm euro groove version works with Smarts and Exlabesa profiles, to deliver industry-leading security, British quality, proven usability and long service life. For fabricators that already know and prefer the Lockmaster brand, this latest offering lets them suite across their entire door range.

Key features

- Standard Yale-branded 16mm faceplate to suit Smarts and Exlabesa profiles
- Lockmaster renowned twin hook and anti-lift bolts for enhanced security, strength & usability.
- Deadbolt centre with an easily reversible latch to minimise stock holding
- Pre-compression roller engagements cams achieve excellent weather-proofing
- 28mm backset with PZ92mm centre case
- Slave mechanism for French doors also available
- Yale Lockmaster 28mm 1-piece keep also available with or without packers
