

# Parasilico Premium T Sanitary Silicone

## PRODUCT INFORMATION

This high-quality neutral silicone sealant forms a flexible, water-resistant seal and is specifically designed for use in areas of high moisture such as baths, sinks and showers. It is neutral and odourless, mould resistant with a smooth consistency that's easy work and apply. Parasilico premium sanitary sealant can be used on acrylic, sensitive metals (eg stainless steel, aluminum), ceramic tiles, plastic, glass and all other materials commonly found in wet rooms and bathrooms.

- Water resistant
