

650 Series Door Lock, 2 Hook, 2 Roller, Extendable

The Avantis 650 door lock has been rigorously tested to ensure unbeatable weatherproofing worthy of meeting current British Standard EN 1375, as well as superior security performance that's earned both the Secured by Design stamp of approval and PAS 24 compliance. Designed to last and backed by a 10-year mechanical guarantee, this proven lock provides robust, trouble-free operation perfectly suited to residential properties.

Features:

- 16mm faceplate, 35mm back set
- PZ92/62mm dual follower centre case
- Sash rebates: min. 1852mm (1688mm with reduced handle height). Max. 2200mm
- Class-leading compression: 25mm direct drive centre bolt & optional roller cams
- Accredited protection: large, strong security hooks and exclusive cylinder guard
- Profile-specific fully adjustable one-piece keeps for simple installation
- Suitable for PVCu doors

Guarantees and certifications:

- Tested to PAS 24 & BS 6375
- Secured by Design accredited
- Corrosion-resistant to EN 1670: grade 4
- Tested over 50,000 cycles with a 10-year mechanical guarantee
