

Yale Mustang Slimline French Window Lock and Shootbolt Kit for Sheerline Classic

**WINDOW
WARE**
We've got it

This Mustang Slim Line French Window Lock and Shootbolt kit with its ultra slim off-set gear box is ideal for face mounting on flat aluminium profiles. With its slim gear box design, only a 6.5mm wide cavity is required, allowing it to fit on to profiles with the slimmest of sightlines.

Features:

- Only five sizes required to fabricate sashes from 350mm to 1400mm
- Ultra slim off-set gear box design, ideal for fitting into slim glazing up-stands
- Face mounts onto flat profiles, no need for Eurogroove
- 5mm mushroom cam height
- Largely stainless-steel construction for ultimate corrosion resistance
- Fast fit telescopic design which reduces fabrication time, no need for cropping
- High security with excellent compression when tested as part of a window system
- Supplied as a complete kit containing:
 - Mustang off-set shootbolts with cams
 - Mustang Yale branded faceplate covers
 - French casement mushroom keeps
 - French casement double slot shootbolt keeps including night vent facility

Guarantees and accreditations:

- 10-year Mechanical and corrosion guarantee
- Corrosion tested to BS EN 1670 and has exceeded grade 4 classification (240hrs. NSST)
- Endurance tested to 30,000 cycles
- Tested to the equivalent of PAS 24 (BS 7950) as part of a window system
